	As a small Swedish company from Vargarda, who have been preparing and cooking pet food since 1903, we like to do things the careful and natural way. We make our dog and cat food by using high quality natural raw materials without unnecessary additives. Sweden has a rich wildlife, unique fauna and exceptionally clean air and water. Our respect for animals and the nature around us is why we preferably source raw material from the Nordic wilderness and trusted Swedish farms that share our philosophy. This is what we call Swedish Natural Quality.
